

Castlegem sponsoring Soccer Team

Castlegem are happy to contribute their share to furthering social and recreational activities of our future and youth: Castlegem have taken to sponsor a small local soccer team in Vienna – ASV13 – to allow for the provisioning of the U8 team with new training gear. This will bring a smile to 20 kids' faces, an invaluable reward in exchange for the sponsorship.

On the hosting side, for next month, watch our for our new E5 v3 offers!
